

## Kelly Engineering Parts Terms Canada & USA

### Parts Discounts:

- Dealers receive a twenty five percent (25%) discount from Kelly published list pricing for all invoices paid in full within invoice terms.
- Any seasonal or special promotion discounts will be applied after standard dealer discounts and are only applicable if paid within terms.
- A one and half percent, 1.5% per month late fee will be accrued on all invoices not paid within terms.
- Any exception to the standard terms must be approved in writing by Kelly Engineering or its representatives prior to product shipment.
- All Dealer terms are subject to credit approval by Kelly or their representatives.

### Parts Freight Terms:

- Parts list prices are without freight included.
- All parts orders will be shipped by LTL or parcel freight based on weight and dimensions.
- If the Dealer requires parts to be sent by an alternate means or as priority this must be specified at the time of ordering.
