

Tail Hose fitment on Version 9 Manifold

1 of 1

Machines produced from October 2013 are fitted with our Version 9 manifold, part number 290430.

On the top face of the manifold are six ports, labeled TR1, TR2, TR3, TE1, TE2, TE3.

TR1 and TE1 are the correct ports for the tail hoses. Module hoses are to be fitted to TR2, TE2, & TR3, TE3.

**Tail hoses MUST be fitted to TR1 and TE1 or the tail will not raise.**

- Tail hoses
- -04 & -05

- Module Hoses.
